Dear friends,

Our public schools receive tremendous support from this community. Because of that support, the young people attending Monroe Public Schools are fortunate to have excellent teachers and the materials they need to be academically successful. In fact, the Class of 2015 earned more than \$11 million in scholarships and awards for past accomplishments and outstanding promise as the graduates continue their education.

The senior citizens of our community are an especially important resource for our students. You are a virtual source of wisdom and information with your life experiences, work ethic, and sense of responsibility. Your active participation in our schools provides us with immeasurable rewards.

Because of your contribution, we invite you to join the **Cat Tracks Club** to inspire you to be even more involved with Monroe High School. As a Cat Tracks member, you receive free admission to regular season athletic and scholastic events held at Monroe High School. Cat Tracks members will receive information by email about school events so they can plan to attend some of our area's greatest student performances and sporting events.

The best thing about the **Cat Tracks Club** is membership is free! You must only be a resident of the area served by Monroe Public Schools and be at least 65 years of age. If you are interested in becoming a Cat Tracks member, please complete the Application Form printed on the back of this letter and return it to the schools' Administration Building, 200 E Fremont, Monroe 98272. Membership cards will be returned by U.S. mail.

We hope you will join us! Please let us know if you have any questions about this program or Monroe High School by calling 360.804.4502.

Go Bearcats!
