## Extended-Day Kindergarten

The district is offering extended day kindergarten at all elementary schools with reduced rates to students who qualify for free/reduced lunch. Applications are included in kindergarten registration packets. **Deadline for applying for extended day kindergarten is April 8, 2008.**

### **Enrollment decisions at each school will be based on the following constraints:**

- Based on sufficient enrollment to justify a full-day program as determined by the district.
- Appropriate classroom space is available to accommodate the full-day program.
- A lottery-based process will be used to ensure equity when number of students exceeds enrollment capacity.
- MSD students who would like to attend a school other than their home school must submit an intra-district transfer form.
- Out-of-district students must submit an inter-district transfer form. Out-of-district applicants will be considered after August 15, 2008.
- Parents provide transportation for intra-district and inter-district students.

Three tuition payment plans are being offered for the Extended Kindergarten program. Discounted tuition is available based on approval of free/reduced lunch application as determined by federally mandated qualifications for the 2008/09 school year.
