2016 Summer Session – Career and College Ready Seminar

You will not receive confirmation - Students should arrive for their class on the first day of summer school as scheduled. Classes are contingent upon enrollment and you will only be contacted if class full, cancelled or if there is a schedule change.

Summer School Attendance: Students may be absent no more than 10% of the time or 2 days total in grades 10 through 12 (students must receive special permission from the on-site administrator when absences exceed 10%). A student who is constantly tardy (3 tardies = 1 absence), leaves before dismissal time or has excessive absences may be denied credit or be dismissed.
