

## Parent Survey Results

The results of our annual parent survey are in, and once again Chain Lake families report that Chain Lake is a great place to educate children. Our Learning Improvement Team has reviewed the results of the survey, and will be discussing ways to make our school even more effective. Thank you for taking the time to share your opinions with us.

1. Please consider the current status of your school and the activities of your students. Mark your answers choosing the phrase that best describes your impression.
