

## Running Club

Same as Last Year! Change from previous years.

Are you interested in joining running club? Running Club will begin Monday, Oct. 17, 2016 and will finish Wednesday, November 23, 2016. It's Monday through Thursday mornings, doors open at 8:00 am, we'll begin warm ups at 8:05 and then do a running activity. Yes, we do run outside some days.

To avoid the rush on Curriculum Night, we will have a lottery system. There is room for 30 students.

If you are registered for the Seattle Kids Marathon by Wednesday, October 12, 2016 you will be reserved a spot in Running Club. To register, log on to [www.seattlemarathon.org](http://www.seattlemarathon.org). Our group name is Fryelands Elementary. Our password is Falcons. The Kids Marathon is Saturday, November 26, 2016 @ 10:00 am. The entry fee is \$25. You can register for the Kids Marathon after October 12th. However, the October 12, 2016 date reserves you a spot in the Running Club.

Your permission slip will be your lottery entry form. Permission slips are due by Wednesday, October 12, 2016. Use your family name, how many from your family will be participating and the entire kids name on the permission slip (i.e. O'Brien 3 – Maureen, Colleen and Patti Jo). We will not exclude family members, however if you sign up for 1 spot and other family members decide to join after the lottery, there will not be room for them. At the time of the drawing on October 13th, we'll draw names to form the list of Running Club members and the waiting list. We'll aim to have the list Thursday, October 13 so you can be ready to go Monday, Oct. 17, 2016. If you have questions about Running Club, you can ask Miss O'Brien at Curriculum Night.

We will NOT hold spots for students who do not attend on a regular basis. On the third miss, your spot will go to the next person on the waiting list. Running Club has been very popular in the past. Miss O'Brien's theory is: if you sign up, you better show up! Consider Running Club a team. It takes a "team" to be successful.

We look forward to seeing you in Running Club! Keep Moving!

Miss O'Brien
