

FRYELANDS ELEMENTARY

After School Coding Club

REGISTRATION DEADLINE: Friday, January 12th

Fryelands is offering a 10-week long STEM (Science, Technology, Engineering, and Math) computer coding class taught by Mrs. Wood on Mondays after school.

Students will create computer programs that will help them learn to collaborate with others, develop problem solving skills, and persist through difficult tasks eventually developing interactive games or stories they can share. In other words...**it's really cool stuff!**

*****By joining this club students and parents commit to their child attending each of the sessions unless the child is absent from school that day. Please check your calendars **BEFORE** signing up.**

Days and Time: **Mondays after school 3:30-4:30pm**

Dates: **January 23, 30; February 6, 13, 27; March 6, 13, 20, 27 and April 3**

Cost: **FREE**

Grade levels available: **2nd-5th grade**

Spots available: **25 students**

There are spots available for the first 25 students, so get your form in early!

Please complete the bottom of this form and return it to the office by Friday, January 12.
