A variety of education and youth-related information comes to the district with the request that it be distributed through the schools. Materials from non-profit organizations which are perceived as appropriate for families and provide a service or event information that would be of interest to families may be approved for distribution to students in accordance with procedures developed by the superintendent.

Materials will be reviewed on a case-by-case basis with the decision to approve or disapprove made in concert with the district's goals and objectives. The district neither endorses nor guarantees the accuracy of the information in the materials provided.
