**4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the up coming school year.**

To increase ASB card possession, Monroe High School will offer an information session about the benefits of having an ASB card during our launch at the beginning of the school year.  
 To increase participation in clubs and athletics, Monroe High School will offer an information session about how to join sports and clubs during our launch at the beginning of the school year.  
 The ASB bookkeeper will develop a communication process to connect with students and their families about the benefits of submitting their consent to share their free/ reduced lunch status.  
 Further, we will research the cost of an activities bus to determine if it is a feasible option.  
 We will also partner with different groups in the school (leadership, race and equity team) to conduct more surveys to help determine what clubs or activities we can offer that students would be interested in participating in.
