

AP PREPARATON AND PRACTICE

Requirement area: **Elective**

Course code: GAP450

Grade Level: 9-12

Prerequisite: Enrolled in an AP class

Length: Year long (1.0 credit)

Homework:

Description: This course is designed for students who complete AP courses in the first two quarters of 2020-21 school year. These students are facing a long gap between their classes and the official tests and would therefore greatly benefit from strategy and practice during that long gap. Students will study test preparation strategies as well as content specific modules created by AP teachers. Students will have the opportunity to continue their content preparation, practice official tests and most importantly, keep the subject matter in mind during the long gap.
