

ENGLISH LANGUAGE LEARNERS 3

Requirement area: **Elective**

Course code: OLL103

Grade Level: 10, 11, 12

Prerequisite: State approved placement test L1 (Note: State language level classifications may change over time)

Length: Year long (1.0 credit)

Homework: 0-1 hour per week

Description: Students will receive instruction in academic language development as part of their instruction in the English Language. This course offers English learners the opportunity practice oral language development, literacy development with a focus on nonfiction, high quality academic writing that is applicable to mainstream classes, and readings of relevant texts. Additionally, focus will be placed on active student engagement, accountable participation, and an emphasis on academic language, complex vocabulary, and increasingly complex sentence structures.
