

ZOOLOGY

Requirement area: **Science or Elective**

Course code: SZO200

Grade Level: 10, 11, 12

Prerequisite: Successful completion of Biology I or Veterinary Science (was Animal Science 2)

Length: Year long (1.0 credit)

Homework: 0-1 hour per week

Fee: \$20

Description: Introduction to Zoology is a lab-based course, which surveys the important animal phyla and animal systems. It illustrates major biological concepts and principles such as the relationship of animals to their environment. Focus is on comparative anatomy and physiology of the major organ systems to explore increasing complexity in the animal kingdom. Labs will include dissection.
