The High School and Beyond Plan is a Graduation Requirement for 2022 and Beyond

**Students that have a High School and Beyond Plan that is adversely impacted by the change to the 8-period schedule and new graduation expectation can apply for a waiver for any of the specific electives.

*Depending on a student's High School and Beyond Plan, they can take less Art or World Language with replacement credits that match HSBP via Personalized Pathway.

»Personalized Pathway is defined as related courses that lead to a specific post-high school career or educational outcome chosen by the student and based on the student's interests and High School and Beyond Plan, which may include Career and Technical Education and are intended to provide a focus for the student's learning. *For additional information, please refer to Board Policy P2410.*

Students must take a full course load for their first three years of high school. Students desiring to take less than a full load of courses during their senior year must meet with and receive approval from their counselor in order to insure all credit and non-credit graduation requirements are on track to be met prior to the date of graduation. Student athletes must fulfill all eligibility requirements as stipulated in the current WIAA handbook to remain eligible to participate in sports while taking less than a full course load of classes during their senior year. All students that complete graduation requirements prior to their graduation date are eligible to participate in the commencement ceremony.
