

Medication Self-Carry Agreement

Student Name: _____ Birthdate: _____

Grade/Teacher _____

Monroe Public schools Medication Policy allows students to carry and self-administer medication if the following criteria are met:

- Prescription medications also require a medication authorization form and must have a physician's permission to self-carry and signature.
 - A Self-carry agreement form signed and dated by the parent indicating the name of medication, dosage, date(s), and times(s) taken.
 - A one day supply of medication
 - Medication is in the original container
 - Prescription- labels must specify the name of student, name of medication, dosage, route and frequency or time of administration
 - Non-prescription- medication must have the student's name written on the original container.
 - Check to see it is current or unexpired
 - A student may be allowed to carry emergency medication if authorized by a physician, parent, school nurse and principal.
 - Violations of any conditions placed on the student carrying and self administering medication may result in termination of that permission.
- Permission and forms are good for the current school year only.

Medication: _____ Dose: _____ Reason for taking medication: _____

Time: _____ Dates: _____ Current school year
